Meritorious Investment

Read every word of this announcement carefully that you may learn how you can MAKE MONEY OUT OF CALIFORNIA OIL STOCKS.

During the past year our clients bought through us hundreds of thousands of shares of good California Oil stocks. These stocks have advanced in value and our clients have often made PROFITS OF 200 PER CENT. OR BETTER. Hundreds and hundreds of our clients are receiving dividends of from 1 TO 4 PER CENT. PER MONTH upon the money that they invested upon our recommendation.

For some time now we have been INVESTIGATING THE TEMPLE RANCH OIL CO. We have examined the property personally; we had it examined by expert oil men not interested in the Company in any way, and we have looked into the record of the men that manage and control it. As a result of this thorough investigation we can HIGHLY RECOMMEND the purchase of the TEMPLE RANCH OIL CO. at this time. You must act quickly and get it now while you can buy it for 40 CENTS PER SHARE, before it goes any higher.

When we advise the purchase of a stock our clients know that it is a good buy. We unhesitatingly advise the purchase of Temple Ranch at this time. Call, write or phone, and do it now.
